3. **Evacuation Plan:**

Evacuate using the nearest stairwell upon any activation of the emergency alarm on your floor. For general information on evacuation, go to [Safe Building Evacuation](#) under Fire Safety in the EH&S website. In the event of a prolonged evacuation or hazardous weather conditions, an assembly area will be established, and you will be notified by a University representative of the location. The short-term assembly area for Langley Hall is the Alumni Hall. In the event of a major emergency, the long-term assembly area for Langley Hall is the Petersen Events Center.

If you cannot follow the University's Building Evacuation Procedures due to a temporary or permanent physical impairment, please contact Pitt EH&S 412-624-9505 and request development of an Individualized Evacuation Plan.
